Become the Speaker You've Always Wanted to Be!

Speechcraft programs are short introductory courses in public speaking that are offered by Toastmasters for people who are not ready or who are unable to make a full commitment to join a club.

- **LEARN TO GIVE CONFIDENT PRESENTATIONS**

Whether you need to propose a toast at a wedding, or are looking to improve your managerial potential, Speechcraft will give you the skills and confidence you need to express yourself in front of an audience.

- **LEARN IMPROMPTU SPEAKING**

Develop the skill to think on your feet, and learning how not to be tongue-tied when you're suddenly asked a question you weren't prepared for.

- **DEVELOP GREATER SELF-CONFIDENCE**

Learning to speak in public is about overcoming a fear which almost everybody shares. You will find that as you develop confidence in public speaking, you'll have greater confidence in all other areas of your personal and professional life.

- **...AND YOU'LL LEARN TO LOVE THE APPLAUSE!**

Constructive evaluation is the heart of the Speechcraft program. Each time you give a prepared speech, an evaluator will point out strengths and also suggest improvements for future presentations.
